

36" SELF-PROPELLED DRIVE OVER LOADER

Dual Self-Propelled drive wheels so operator can easily move left, right, forward, or reverse. Trough belt design keeps all material on top of belt. High quality belt with flexible cleats every 24". Rollers under belt reduce belt drag allowing loader to use less Horse Power while adding years of life to the belt. Heavy duty drive-over ramps take the weight of a fully loaded truck & trailer. Hand operated rubber hopper flaps are designed for no spillage of material. Adjustable discharge hood for ease of centering material on pile. Will unload 12,000 lbs of material per minute. Towable behind a full size pick-up.

STANDARD FEATURES:

- Heavy Duty Drive over ramps
- 36" Cleated Belt
- 49 HP Yanmar Diesel Engine
- 7000 lb. Torflex Axle
- Hydraulic operated adjustable hood
- Hydraulic operated rubber hopper
- 14'6" Dump height
- 15 Gallon Fuel tank
